the Directors; (iv) the extension of the Issuance Mandate by adding to it the aggregate number of the issued Shares repurchased by the Company under the Buyback Mandate; (v) the refreshment of the existing Scheme Mandate Limit; and (vi) the re-election of retiring Directors.

2. INCREASE OF AUTHORISED SHARE CAPITAL

In order to have a sufficient authorised and unissued share capital available for the issue of Shares in the future, an ordinary resolution to be proposed as resolution no. 7 as set out in the notice convening the Annual General Meeting will be proposed at the Annual General Meeting to approve an increase in the authorised share capital of the Company from HK\$600,000,000 divided into 6,000,000,000 Shares to HK\$1,000,000,000 divided into 10,000,000,000 Shares by the creation of an additional 4,000,000,000 Shares of HK\$0.10 each. The proposed increase in the authorised share capital of the Company is to meet the requirements on the exercise of the general mandate in the future. As at the Latest Practicable Date, 3,733,979,642 Shares were in issue.

3. BUYBACK AND ISSUANCE MANDATES

At the annual general meeting of the Company held on 23 August 2005, general mandates were granted to the Directors to exercise the powers of the Company to repurchase Shares and Warrants and to issue new Shares respectively. Such mandates will lapse at the conclusion of the Annual General Meeting.

Ordinary resolutions will be proposed at the Annual General Meeting to approve the granting of new general mandates to the Directors:

- (a) to purchase Shares on the Stock Exchange of an aggregate nominal amount of up to 10% of the aggregate nominal amount of the issued share capital of the Company on the date of passing of such resolution (the “Buyback Mandate”);
- (b) to allot, issue or deal with Shares of an aggregate nominal amount of up to 20% of the aggregate nominal amount of the share capital of the Company in issue on the date of passing of such resolution (the “Issuance Mandate”); and
- (c) to extend the Issuance Mandate by an amount representing the aggregate nominal amount of the Shares repurchased by the Company pursuant to and in accordance with the Buyback Mandate.

The Buyback Mandate and the Issuance Mandate will continue in force until the conclusion of the next annual general meeting of the Company held after the Annual General Meeting or any earlier date as referred to in ordinary resolutions nos. 8 and 9 set out in the notice of the Annual General Meeting. With reference to the Buyback Mandate, the Directors wish to state that they have no immediate plan to repurchase any Shares.

In accordance with the requirements of the Listing Rules, the Company is required to send to the Shareholders an explanatory statement containing all the information reasonably necessary to enable them to make an informed decision on whether to vote for or against the granting of the Buyback Mandate. The explanatory statement as required by the Listing Rules in connection with the Buyback Mandate is set out in the Appendix I to this circular.

LETTER FROM THE BOARD

4. REFRESHMENT OF THE EXISTING SCHEME MANDATE LIMIT

The Company adopted the Existing Share Option Scheme and terminated the Previous Share Option Scheme at its annual general meeting held on 21 August 2002. Upon termination of the Previous Share Option Scheme, no further Options can be granted thereunder but in all other respects, the provisions of the Previous Share Option Scheme shall remain in force and any Options granted prior to such termination shall continue to be valid and exercisable in accordance therewith.

Pursuant to the terms of the Existing Share Option Scheme, among other things:

- (a) the Shares which may be issued upon exercise of all Options granted/to be granted under the Existing Share Option Scheme and any other share option schemes of the Company shall not exceed 10% of the Shares in issue as at the date of adoption of the Existing Share Option Scheme, being 21 August 2002 (the "Scheme Mandate Limit") (excluding, for this purpose, Options which have lapsed in accordance with the terms of the Existing Share Option Scheme or any other share option schemes of the Company);
- (b) The Scheme Mandate Limit may be refreshed by obtaining approval of the Shareholders in general meeting provided that the new limit under the refreshed Scheme Mandate Limit must not exceed 10% of the Shares in issue at the date of the Shareholders' approval of such refreshed Scheme Mandate Limit. Options previously granted under the Existing Share Option Scheme or any other share option schemes of the Company (including those exercised, outstanding, cancelled or lapsed in accordance with the terms of the Existing Share Option Scheme or any other share option schemes of the Company) will not be counted for the purpose of calculating the total number of Shares subject to the refreshed Scheme Mandate Limit; and
- (c) the overall limit on number of Shares which may issued upon exercise of all outstanding Options granted and yet to be exercised under the Existing Share Option Scheme and any other share option schemes of the Company must not exceed 30% of the Shares in issue from time to time (the "Overall Limit").

As at the Latest Practicable Date, the Company had granted to certain grantees Options to subscribe for an aggregate of 1,241,000,000 Shares under the Previous Share Option Scheme and the Existing Share Option Scheme, out of which Options to subscribe for 37,070,000 Shares have lapsed and Options to subscribe for 465,300,000 Shares have been exercised. As at the Latest Practicable Date, Options carrying the rights to subscribe up to a total of 738,630,000 Shares (representing approximately 19.78% of the Shares in issue as at 25 July 2006) remained outstanding under the Previous Share Option Scheme and the Existing Share Option Scheme.

The existing Scheme Mandate Limit is 373,397,964 Shares which was approved at the previous annual general meeting held on 23 August 2005. Options to subscribe for 373,000,000 Shares have since been granted by the Company. Unless the existing Scheme Mandate Limit is refreshed, Options in respect of up to only 397,964 Shares, representing approximately 0.013% and 0.01% of the issued share capital of the Company as at the date of adoption of the Existing Share Option Scheme and as at the Latest Practicable Date respectively, may be issued under the Existing Share Option Scheme.

LETTER FROM THE BOARD

In this connection, the Directors consider that the Company should refresh the Scheme Mandate Limit so that the Company could have more flexibility to provide incentives to those Participants of the Existing Share Option Scheme to contribute to the success of the Group by way of granting Options to them. If the refreshment of the existing Scheme Mandate Limit is approved at the Annual General Meeting on the basis of 3,733,979,642 Shares in issue as at the Latest Practicable Date and assuming that no further Shares are issued or repurchased after the Latest Practicable Date and up to the date of the Annual General Meeting, the existing Scheme Mandate Limit will be refreshed to 373,397,964 Shares, representing 10% of the issued share capital of the Company as at the date of the Annual General Meeting and the Company will be allowed, apart from the Options to subscribe for 738,630,000 Shares which have already been granted and are still outstanding, to grant further Options under the Existing Share Option Scheme carrying the rights to subscribe for a maximum of 373,397,964. On the basis of 3,733,979,642 Shares in issue as at the Latest Practicable Date, the 30% overall limit represents a total of 1,120,193,892 Shares. Accordingly, the aggregate sum of (i) maximum number of Shares to be issued under the Options arising from the refreshed Scheme Mandate Limit and (ii) outstanding Options under the Previous Share Option Scheme and the Existing Share Option Scheme to subscribe for Shares does not exceed the 30% overall limit as at the Latest Practicable Date.

The refreshment of the existing Scheme Mandate Limit is conditional upon:

- (i) the passing of the necessary ordinary resolution at the Annual General Meeting; and
- (ii) the Listing Committee of the Stock Exchange granting the listing of, and permission to deal in any new Shares which may fall to be allotted and issued upon the exercise of the subscription rights attaching to the Options that may be granted thereunder.

Application will be made to the Stock Exchange for granting the listing of and permission to deal in the Shares to be issued pursuant to the refreshed Scheme Mandate Limit.

5. RE-ELECTION OF RETIRING DIRECTORS

According to Bye-laws 110(A) and 190(v) of the Current Bye-laws, Mr. Cheung Wai Tung and Mr. Lai Man To shall retire from office by rotation at the Annual General Meeting, and being eligible, offer themselves for re-election. Details of Mr. Cheung Wai Tung and Mr. Lai Man To which are required to be disclosed by the Listing Rules are set out in the Appendix III to this circular.

6. ANNUAL GENERAL MEETING AND PROXY ARRANGEMENT

The notice of the Annual General Meeting is set out on pages 14 to 18 of this circular. At the Annual General Meeting, resolutions will be proposed to approve, inter alia, the increase in authorised share capital, the granting of the Buyback Mandate and the Issuance Mandate, the extension of the Issuance Mandate by the addition thereto of the number of Shares repurchased pursuant to the Buyback Mandate and the refreshment of the existing Scheme Mandate Limit.

A form of proxy for use at the Annual General Meeting is enclosed with this circular and such form of proxy is also published on the website of the Stock Exchange (www.hkex.com.hk). To be valid, the form of proxy must be completed and signed in accordance with the instructions printed thereon and deposited, together with the power of attorney or other authority (if any) under which it is signed or a

LETTER FROM THE BOARD

notarially certified copy of that power of attorney or authority at the principal place of business of the Company, at The Penthouse, Culturecom Centre, 47 Hung To Road, Kwun Tong, Kowloon, Hong Kong, not less than 48 hours before the time appointed for holding the Annual General Meeting or any adjournment thereof. Completion and delivery of the form of proxy will not preclude you from attending and voting at the Annual General Meeting if you so wish.

7. RECOMMENDATION

The Directors consider that the increase in authorised share capital, the granting of the Buyback Mandate, the granting/extension of the Issuance Mandate, the refreshment of the existing Scheme Mandate Limit and the re-election of retiring Directors are in the interests of the Company, the Group and the Shareholders. Accordingly, the Directors recommend the Shareholders to vote in favour of the relevant resolutions to be proposed at the Annual General Meeting.

8. GENERAL INFORMATION

Your attention is drawn to the additional information set out in the Appendix I (Explanatory Statement on the Buyback Mandate), Appendix II (Procedure by which the Shareholders may demand a poll at a general meeting pursuant to the Current Bye-laws) and Appendix III (Details of the Directors proposed to be re-elected at the Annual General Meeting) to this circular.

Yours faithfully,
For and on behalf of
CULTURECOM HOLDINGS LIMITED
Cheung Wai Tung
Chairman

The following is an explanatory statement required by the Listing Rules to be sent to the Shareholders to enable them to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the Annual General Meeting in relation to the granting of the Buyback Mandate.

1. REASONS FOR BUYBACK OF SECURITIES

The Directors believe that the granting of the Buyback Mandate is in the interests of the Company and the Shareholders.

Repurchases of securities of the Company may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share. The Directors are seeking the granting of the Buyback Mandate to give the Company the flexibility to do so if and when appropriate. The number of Shares to be repurchased on any occasion and the price and other terms upon which the same are repurchased will be decided by the Directors at the relevant time, having regard to the circumstances then pertaining.

2. SHARES AND WARRANTS

As at the Latest Practicable Date, the issued share capital of the Company comprised 3,733,979,642 Shares and the Warrants outstanding at such date carried with them a total subscription rights of HK\$113,520,000 which was equivalent to the aggregate subscription price for a total of 660,000,000 Shares on the basis of the subscription price being HK\$0.172 per Share.

Subject to the passing of the ordinary resolution no. 8 set out in the notice of the Annual General Meeting in respect of the granting of the Buyback Mandate and on the basis that no Shares or Warrants are issued or repurchased by the Company prior to the date of the Annual General Meeting, the Directors would be authorised under the Buyback Mandate to repurchase a maximum of 373,397,964 Shares (representing 10% of the Shares in issue as at the Latest Practicable Date) and Warrants carrying with them total subscription rights of up to HK\$11,352,000 (representing 10% of the aggregate subscription rights attaching to the Warrants outstanding as at the Latest Practicable Date) during the period in which the Buyback Mandate remains in force.

3. FUNDING OF REPURCHASES

In repurchasing Shares and Warrants, the Company may only apply funds legally available for such purpose in accordance with its memorandum of association, the Current Bye-laws, the laws of Bermuda, the relevant instrument creating the Warrants and/or any other applicable laws.

The Company is empowered by its memorandum of association, the Current Bye-laws and the relevant instrument creating the Warrants to repurchase Shares and Warrants. The laws of Bermuda provide that the amount of capital paid in connection with a share repurchase by a company may only be paid out of either the capital paid up on the relevant shares, or the funds of the company which would otherwise be available for dividend or distribution or the proceeds of a fresh issue of shares made for such purpose. The amount of premium payable on repurchase may only be paid out of funds of the company which would otherwise be available for dividend or distribution or out of the share premium account of the company before the shares are repurchased.

4. IMPACT OF REPURCHASES

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited accounts contained in the annual report of the Company for the year ended 31 March 2006) in the event that the Buyback Mandate was to be carried out in full at any time during the proposed repurchase period. However, the Directors do not intend to exercise the Buyback Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

5. TAKEOVERS CODE

If, on the exercise of the power to repurchase Shares pursuant to the Buyback Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. Accordingly, a Shareholder, or group of Shareholders acting in concert, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code for all the Shares not already owned by such Shareholder or group of Shareholders.

As at the Latest Practicable Date, Mr. Chu Bong Foo was interested in 283,052,000 Shares, representing approximately 7.58% of the Shares issued by the Company. In the event that the Directors exercise in full the power to repurchase Shares of the Company in accordance with the Buyback Mandate, the shareholding of Mr. Chu Bong Foo in the Company will be increased to approximately 8.42% of the issued share capital of the Company. In the opinion of the Directors, such increase will not give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code.

6. GENERAL

None of the Directors or, to the best of their knowledge having made all reasonable enquiries, any of their respective associates (as defined in the Listing Rules) have any present intention to sell any Shares to the Company in the event that the granting of the Buyback Mandate is approved by the Shareholders.

The Company has not been notified by any connected persons (as defined in the Listing Rules) of the Company that they have a present intention to sell any Shares to the Company, or that they have undertaken not to sell any Shares held by them to the Company in the event that the granting of the Buyback Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to make repurchases of Shares and Warrants pursuant to the Buyback Mandate in accordance with the Listing Rules and the laws of Bermuda.

8. REPURCHASES OF SHARES AND WARRANTS MADE BY THE COMPANY

No repurchase of Shares or Warrants has been made by the Company during the previous six months (whether on the Stock Exchange or otherwise).

The following paragraphs set out the procedure by which the Shareholders may demand a poll at a general meeting of the Company (including the Annual General Meeting) pursuant to the Current Bye-laws.

According to Bye-law 78 of the Current Bye-laws, at any general meeting a resolution put to the vote of the meeting shall be decided on a show of hands unless a poll is (before or on the declaration of the result of the show of hands or on the withdrawal of any other demand for a poll) demanded by:

- (a) the chairman of the meeting; or
- (b) at least three Shareholders present in person (or, in the case of a Shareholder being a corporation, by its duly authorised representative) or by proxy for the time being entitled to vote at the meeting; or
- (c) a Shareholder or Shareholders present in person (or, in the case of a Shareholder being a corporation, by its duly authorised representative) or by proxy and representing not less than one-tenth of the total voting rights of all Shareholders having the right to vote at the meeting; or

In addition, if the aggregate proxies held by (i) the Chairman of a particular meeting, and/or (ii) the Directors, account for 5% or more of the total voting rights at that meeting, and if on a show of hands in respect of any resolution, the meeting votes in the opposite manner to that instructed in those proxies, the Chairman of the meeting and/or any Director holding proxies as aforesaid shall demand a poll, unless it is apparent to the Chairman from the total proxies held by those persons that a vote taken on a poll will not reverse the vote taken on a show of hands.
