Jay Chou in Animation-Comic-Game Hong Kong

In the 14th "Animation-Comic-Game Hong Kong", Jay Chou has brought visitors an extraordinary 3D experience of his HKD 10 million project Ucan.com, attracting a long queue of fans outside the exhibition booth.

Post on Jay's official website said, "Jay is confident in the investment of Ucan.com and he believes that the project will begin a new era in the online world."
